Shubham Dinkar

Adhav

Full Stack Web Developer

Professional Summary

Dynamic Full Stack Web Developer with proficiency in MERN stack, RESTful API design, and debugging. Expert in JavaScript, React.js, and Node.js. Skilled in rapid learning and integrating Generative AI technologies. Strong problem-solving abilities, teamwork, and adapting to new tech swiftly.

Experience

- | | | |
|-------------------|-----------|-----------------|
| internship | web | May 2024 - July |
| studio | developer | 2024 |
- Collaborated with cross-functional teams to translate project requirements into functional web applications using the MERN stack.
 - Designed and developed efficient server-side APIs with Node.js and Express.js, ensuring seamless integration with frontend components.
 - Utilized React.js to implement and maintain frontend components, enhancing user experience and application performance.
 - Optimized database queries and models using MongoDB, improving data retrieval and storage efficiency.
 - Conducted thorough testing and debugging, ensuring the reliability and stability of web applications.
